You know I do not have a hot file on you. Sorry but you do not fit the profile. You are not female, not dumb, and last time I checked not trying to do everything which way to become JE girlfriend (which might even include a quick murder. They all think w/me out of the way it would be plain sailing)

Given that you think the other side in this negotiation is so brilliant, you should let me know who he is - this way I shall just keep him on retainer

Also I understood that if he is so brilliant you are in fact more brilliant - a fact I already knew. + Given that I know how that at least your manhood stretches 7 hours well how could a girl be more impressed (except if I discover that it goes 9 hours)

I can understand, empathize, on how you must be feeling. Kevin went through exactly what you have just been through w/his lawyers and the SFO and then did 14 days on the stand in court straight. I only had 5 hours of questioning w/SFO and I felt strange exhausted & combative afterwards

I hope you are going to go home this w/e and sit still. How are you going to switch off? What are you going to do for relaxation? I think you need more than a foot rub. I am in PB if you want to come and be pampered.

Who knows Moscow might just be the ticket at the end of next week - let me know - I would be sad to go w/out you

Gx
