July 11 sounds great, I'm free anytime after 1pm, I'm going to remind you :)

About spending the time, in a few words, we've been living in [REDACTED], for 2 years, which I actually love, it's only 10 minutes away from Manhattan and we have a unique historical area here, very quite and clean, lots of families, with a private park and good schools... My son is going to be 4 years old soon and thanks to L's good bye gift I've enjoyed being a full time mom for most of this time. [We've been exchanging texts and planning to meet for lunch with L since I left, but we haven't met. Yet :) Hope he's doing good.] I've been teaching yoga in a local yoga studio, a few classes a week. Still married... Everything is good but I really am very eager to work, to do something interesting, to earn money, and since my son is starting a full time kindergarten in September I will finally have time to do so. I have some ideas but would love to see you and to talk, you've been always very inspiring..

Looking forward to seeing you!

Hope you've been good!

Dear Jeffrey,

How are you? I hope everything is good and you are enjoying the summer!

Jeffrey, I thought I'd ask you for advice. I really want (and need) to start working from September. My son is starting kindergarten and I will finally have time for something more than teaching a few yoga classes in the neighborhood which gives me barely any income.. Since you know so many people may be you can keep me in mind if you hear or think of any good position?

My education is in journalism and public relations and I thought I can be a good assistant to an interesting person. Also I was considering to take a Health Coaching course which together with my existent advanced yoga certifications can make me a good Wellness advisor.

Would love to hear from you and also will be very happy to meet if you have time,

Xx [REDACTED]
