It's not about what he did, but about what he hasn't done for the past 3 years!

Even 20 years old [REDACTED] is shocked he doesn't pay for anything...

My fcking heart breaks, I'm confused like never before, going back home in few days and have no clue what to do anymore.

Wrote him honestly how I feel about the fact that he never invited me to the cinema or dinner, he thinks I don't like flowers etc.

He thinks it only about the money.

Fuck fuck fuck!
