good . however , though i have mentioned it twice, = still you have never asked jeffrey what can i do to help. ? therefore I m not sure if i will continue to help you, I spoke to david and as i said , you do not need a portfolio to get an intern job in ny, Im not sure how to get you to take your life and advice seriously, as opposed to going off in stubborn directions with certainty , but incorrect.

Good morning Dear Jeffrey!

How are you feeling today?

I had a meeting David Mitchell this morning. He was very nice, told me about the projects he works on and the firms he is working together with. He is going to introduce me to different architecture firms for internship.

I am leaving for 10days to Paris tonight, got to know about it last night. We are going to meet with David again when I am back to NY. Now he will send me the links to those firms so I can have a look and study them before meetings.

Thank you so much for getting me to know him!

How is it in Florida? Hope everything great!

Best wishes, [REDACTED]
