Hi, Epstein will host the dinner at his town house (on 71 Street, between Maddison and Fifth). Will send exact address later today.

May I suggest that Kelimbetov comes at seven pm and that his wife and deputy joins for dinner at eight?

Best

Dear Temirlan, dinner with Larry Summers on 9 October in New York confirmed. It will be at eight o'clock. Will send you address later today. Will also recommend that he meets with Jeffrey Epstein on 8 October. If he has the evening free that would be fine. Larry Summer has canceled other commitments in order to make it to NY on ninth, so pls do confirm!

Will Kelimbetov be alone, or will somebody accompany him?
