Richard,
Please find attached the paperwork for applicant John Christensen. As you will see from his resume, John is among the top in his field. He has a strong command of both big and small picture issues of running multiple, fine estates. You may, however, want to know why there are few short-lived positions on his resume. As such, I've attached a document with explanation for your convenience. Keith placed John with the [redacted] family and is happy to discuss his background in further detail with you.

As always, please do not hesitate to reach out to us with questions.
Kind Regards,

Alisha Perrigoue

Letter of Recommendation

To whom it may concern

We employed John Christensen full-time as Estate Manager for our Jupiter Island, Florida Estate for four years in the period from June 1998 to June 2004. Besides managing all aspects of our Florida Estate, he also had the financial responsibility of our property in Venice, Italy.

With our family living in Germany seven months of the year, it was extremely important for us to have a trusted person to make sure everything was running smooth when arriving at our Florida winter home. Mr. Christensen never once failed to live fully up to our expectations. He has shown a very high level of professionalism in all aspects of the job, always making decisions in our best interest.

Due to security reasons, we decided to sell our Florida Estate in 2004.

We hereby give Mr. Christensen our best possible recommendations. He knows his job well, he is trustworthy, honest and reliable and will be an asset for any family or corporation.

If you would like additional information about Mr. Christensen, including our contact/telephone information, we can be reached at [redacted]
Please have Mr. Christensen verify to us the need to respond with our telephone number.

Sincerely,

Karl Albrecht
